

STOP THE REPUBLICAN RECALL

VOTE NO ON THE RECALL OF DEMOCRATIC GOVERNOR GAVIN NEWSOM TO STOP THE REPUBLICAN TAKEOVER OF OUR STATE.

WHO IS BEHIND THE REPUBLICAN RECALL OF GOVERNOR NEWSOM?

- The Republican recall is an attempt by national Republicans and Trump supporters to force an election and grab power in California.
- The Republican recall's leading supporters are the same national Republicans who fought to overturn the presidential election and who've launched efforts to deny elections and undermine the right to vote across the country.
- Now they're trying a power grab here by making taxpayers fund a \$276 million off year recall election because they think it's the only way they can win.

WHAT WILL HAPPEN IF THE REPUBLICAN RECALL OF GOVERNOR NEWSOM SUCCEEDS?

- The leaders of the Republican recall seek to repeal California's clean air protections, roll back gun safety laws, and strip access to healthcare for those who need it most.
- And as California makes important progress against COVID-19, handing power to Republicans and Trump supporters will set our state back in our fight against the pandemic.
- That's why Democrats and independents across the state and nation - including Joe Biden and Kamala Harris - oppose the recall. They believe Governor Newsom should be allowed to finish the job.

WHAT HAS GOVERNOR NEWSOM DONE FOR CALIFORNIANS?

- When the COVID-19 pandemic struck, Governor Newsom followed the science and moved aggressively to save lives and help those hardest hit.
- Under Governor Newsom's leadership, our state is beating the pandemic. Californians have some of the highest vaccination levels in the country – leaving us better protected against variants than most other states.
- Now Governor Newsom is focused on an economic recovery that lifts us all. Through his historic California Comeback Plan, Governor Newsom will use a once in a lifetime moment to ensure every Californian – regardless of their race or zip code – can live a better life.
- Governor Newsom's California Comeback Plan will put money directly in the pockets of California families and small businesses while making unprecedented investments in our children – including universal pre-K and free school meals for all California kids.
- Governor Newsom is tackling our state's most critical challenges – homelessness, education, infrastructure and wildfires. We need to let him finish the job.
